Fiscal Analysis

ASSUMPTIONS:

1. The governing body of the local government must determine that bidders meet the definition of “responsible bidder” and that bids meet the criteria of “responsive bid.”
2. A bidder who believes that they have been “aggrieved” will bring an action in District Court.
3. This bill has no fiscal impact.

EFFECT ON COUNTY OR OTHER LOCAL REVENUES OR EXPENDITURES:

1. Impact on local government revenues or expenditures is not significant as a result of this legislation. Nominal expenditures may be incurred in determining that bidders meet the criteria of “responsible bidder” and that bids meet the criteria of “responsive bids”.
2. Expenditures may be incurred for legal costs and damages if an “aggrieved” bidder brings an action against the local government in District Court.
